What are we doing this half term –

Throughout the Autumn we have been exploring the garden area, looking at nature, collecting sticks to make stick people and leaves for the Autumn display, as well as making delicious fruit crumbles and root vegetable soup. We are planning to take small groups of children to explore the local environment – please make sure you have completed your child's Annual Consent Form to allow us to take your child out of the setting.

We have started celebrating the Autumn festivals of light, using the sensory dark tent as a base to explore with torches and light up resources along with learning about the celebrations.

Everyone should be able to access 'Tapestry' your child's electronic Learning Journal. We hope you have all had a look and remember you can comment on the observations and add your own, keeping your key person updated with what your child has been doing at home. Staff will be collating their observations and assessments before the end of the term to create an Autumn Term Report, we will let you know when they are ready to view.

If you would like to see what your child does whilst here, why not come along to help and play with your child with us, you can sign up on the 'Parent Rota' list in the lobby area. Grandparents/carers are welcome to sign up too.

Thank You

- To everyone who came to the 'WOW' Workshop it was fantastic to see everyone have fun and make all those lovely creations.
- For the £53.47 raised for the Macmillan Cancer Trust Coffee morning.
- To Tesco for supplying us with Apples, bananas and oranges for the children's snack times.
