

Three Bears Playgroup

News Welcome everyone to the start of the Autumn Term. 😊

Please make sure that your child's RED BAG is named clearly on the front and decorated to ensure your child can identify it as theirs. Put a change of clothes and everything your child needs for the session inside the bag. LUNCH BOXES go on the shelf in the kitchen area, WATER BOTTLES in tray on shelf in lobby and WELLY BOOTS go in the box in the lobby, make sure they are named too please. BIKE HELMETS to stay on bikes around the back of the sheds, and finally hand any PAPERWORK to the staff member on the door. Thank you 😊

All new users to Tapestry, the online Learning Journal, will receive their login details during the first half term. Your key person will be completing their initial assessments and observations of your child over the next 6 weeks, observations will then be available to view on Tapestry. Those parents that were with us last term can view their child's Summer Term Report now. Don't forget once you start to use Tapestry you can add pics of special events at home, these help us to work with your child on their interests.

If you shop at Tesco we could get a cash boost – please remember to ask for the Blue tokens and post them in the box for our project to build an outdoor classroom and buy new resources to enhance learning outdoors.

What are we doing this half term –

- We will be talking about our families and looking at the Home Books with the children (if you haven't sent one in yet it would be useful now).
- Through settling in the children, we have been hearing all about holidays and will be extending this by looking at transport and vehicles.

Reminders –

Share with your key person news from home or outings you have had, this helps us to chat with your child and extend any learning opportunities.

If your child is ill and will not be attending playgroup, please remember to ring and leave a message or email us.

If you have a holiday booked please email in the dates you will be away.

Have a look at our Facebook page, for events, information and news.

Would you like to volunteer to become a trustee of our playgroup?

We are looking for new trustees to come onboard to work with the management committee.

Or if you are interested in fundraising we have a team that would welcome your ideas and support.

Please contact us if you are interested and can spare a few hours to support us at your community playgroup.

We will be holding our Annual General Meeting on Thursday 7th November 8pm to elect new members and go over the last school years activities, we would love to hear from anyone interested.
